TESTIMONIALS

● NIKE, Country Manager

Jon not only showed us how to be better at managing our teams, but also, how to be better people.

● NIKE, HR Country Lead

I'd strongly suggest you connect with Jon, have an intake call with him and deeply discuss your needs and desired outcomes - you won't be disappointed.

● NIKE, VP EMEA East Region

Jon helped us build stronger teams, delivering in a fun, energising way through a very thoughtful framework combined with extremely practical hands-on tools. Highly recommended.

● DOW, HR Chief of Staff, Global Strategy Leader

The positive feedback from our employees was easily the best we have had from an external partner. In my opinion, this speaks to Jon's unique ability to engage people and to make his concepts simple, impactful, and universally applicable. Thank you for far surpassing our expectations and for having a real impact!

● EE, Head of Safety and Sustainability

Jon's work with our leaders formed part of our submission which resulted in EE being named in the Sunday Times Top 25 Best Big Companies to Work For. Thank you so much.

● Institute of Paralegals, CEO

I have attended many conferences and organised a few and I can honestly say Jon stands out as one of the best speakers we've used.
